It gives me great pleasure to present this academic year's assessment exams – **NSTSE, UICO, UIEO, UIGKO** and **UIMO**. During the past **28 years**, we have progressed step-by-step in inculcating revolutionary learning practice through quality, unbiased and researched assessments. We acknowledge your contribution in making the younger generation strong in fundamentals and we do admire you for that.

UNIFIED COUNCIL has been helping schools, teachers, students and parents get an exact picture of the level of scholastic skills of their students from class 1 to class 10 in the subjects of Maths, Science, Computers and English. This is achieved through our **NSTSE, UICO, UIEO, UIGKO** and **UIMO**, which are based on extensive curriculum research, student achievement level analysis and definition of skill levels for children from the State, CBSE and ICSE boards.

Every school should take advantage of the testing and assessment of students' skills offered at an affordable price, by taking part in our exams, giving its students an opportunity to prepare themselves to take on the world, when they enter the competitive mainstream.

NSTSE, UICO, UIEO, UIGKO and **UIMO**, which are curriculum-based examinations, have been proved useful to students who wish to assess their strengths and weaknesses in the subjects of Maths, Science, Computers, General Knowledge and English. As an integral part of the academia, this programme has a far-reaching effect on the competitive spirit of young minds. Highly experienced educational specialists develop these assessment tests, based on the development of a skill-blueprint. Analysis of the performance is made at the individual, class, school and country levels.

14 million+ students have participated in the exams conducted by Unified Council till date.

Looking back, the **academic year 2025-26** has brought us closer to more number of schools working to push the boundaries of student achievement. More than Fourteen Million+ students have participated in **NSTSE, UIMO, UICO, UIEO** and **UIGKO**. Our contribution as a catalyst for improvement has been appreciated by schools all over the country. These exams are also conducted simultaneously in **32 countries** like **Indonesia, Singapore, Malaysia, Saudi Arabia, UAE, Qatar, Yemen, Oman, Kuwait, Nepal, Bahrain, Russia and Tanzania**.

You, and only you can help arm your students with all the weaponry to face the competitive, career-driven world.

We request you to encourage students to participate in NSTSE, UIMO, UICO, UIGKO and UIEO to bring out their latent talents.

Thanking you,
With warm regards,

K. S. VAS
Director

We recommend the entire school's participation at the starting of the academic year for effective preparation and learning through analysis of results.

Unified Council is now the Times Education Icon and has been honoured with the Times Excellence Award for the Best Olympiads by The Times of India.

Unified Council is the winner of Edu-resources STAR Rating Award by Education World.

Unified Council is the winner of the best Olympiads Award

Best Olympiads of the Year

ABOUT UNIFIED COUNCIL

Making the younger generation stronger in fundamentals and nourishing their minds for a bright and enterprising future

Unified Council is a professionally managed and progressive organization in the field of education, established in **1998** by eminent academicians and distinguished personalities from diverse fields. With a clear vision to strengthen academic foundations, Unified Council has been working consistently to **nurture young minds and build confident learners prepared for future challenges.**

Unified Council has brought together experienced educators and professionals who possess a deep understanding of school education. Their collective expertise enables us to design meaningful academic programs that align with school curricula and modern educational practices, while addressing the real needs of students and teachers.

The Fundamental Revolution

At Unified Council, we believe that **strong fundamentals are the key to academic excellence and long-term success**. Students who develop clear conceptual understanding are better equipped to face the demands of higher education and competitive examinations such as **IIT-JEE, NEET, CAT, SAT, GRE, and GMAT,** which primarily assess conceptual clarity and analytical ability.

This belief forms the foundation of our educational philosophy, which we proudly call the **Fundamental Revolution** — an approach focused on building a **strong conceptual base from the early stages of learning.**

Scientifically Designed Assessments

Unified Council examinations are **scientifically designed, skill-based assessments** prepared after detailed study of the syllabi prescribed by Central and various State Boards.

Rather than emphasizing memorization, our examinations evaluate how effectively students have understood the concepts and skills underlying the school curriculum.

The assessment results provide meaningful insights into:

- ☑ Conceptual understanding
- ☑ Skill development
- ☑ Strengths and improvement areas
- ☑ Overall academic progress

Diagnostic Approach for Improvement

Unified Council examinations follow a **diagnostic approach**, helping students identify their strengths and areas that need improvement.

Unlike conventional examinations that mainly test memory, our assessments measure **depth of understanding** and provide useful feedback that enables students to strengthen their learning and close conceptual gaps at an early stage.

Improvement Through Understanding

Unified Council examinations focus on **Improvement rather than comparison**.

By emphasizing **conceptual clarity, analytical thinking, and continuous improvement**, Unified Council helps students enhance their academic performance and build a **strong intellectual foundation for lifelong success**.

Feature	Advantage
Skill-based	Provides feedback on real learning & relevant concepts – actually tests what is being learnt
Provides benchmark for students all over India	Allows the student to know where he/she stands at the national level
Provides detailed analysis and feedback	Pinpoints areas of strengths and weaknesses
Low cost	Affordable, accessible to all students

What Schools say
About Us

A well-organized and meticulously structured examination that fosters intellectual growth among students. The carefully framed questions challenge them to think deeply and apply concepts effectively. We believe every student should participate in this Olympiad to enhance their academic skills.

— **Dr. Rohini D. Joshi**, GEMS English Medium School, Nashik

The Olympiad was exceptionally well organized. Every detail was taken care of, making it a smooth experience for all participants. The standard of examination questions was excellent, accurately reflecting the syllabus and testing students' knowledge comprehensively. The communication process was seamless with clear instructions and timely updates.

— **Prem Shankar Swami**, Sri Chaitanya Techno School, Indore

We sincerely appreciate the seamless conduct of the examination in our school. The examination was well structured with a balanced blend of questions catering effectively to various proficiency levels of students.

— **Pramod Tripathi**, Ashoka Universal School, Nashik

The communication and the complete procedure of the examination were seamless. We received all the details and examination papers on time, and the level of the question papers was commendable. Thank you for your cooperation throughout the entire process.

— **Sonal Verma**, VIBGYOR Roots & Rise School, Indore

We appreciate the variety of question types, which challenged students to think critically and demonstrate their understanding in different ways.

— **Sr. Holy Rose**, St. Mary's International School (ICSE), Kanya Kumari

The examination procedures starting from the announcement to the results and mark sheet delivery were extremely well organized and efficient.

— **P. S. Kombade**, PM Shri KV Ambajhari, Nagpur

This examination improved students' problem-solving skills and inculcated a competitive spirit among them. It serves as a great platform for students to showcase their knowledge and identify areas for improvement through practical application.

— **R. Pavana Kumar**, Presidency High School, Mugpal

The examination was a valuable experience for students, providing an opportunity to assess their knowledge and reasoning skills. The variety of questions covered all aspects of the syllabus. We appreciate your efforts in promoting scientific talent and encouraging students to excel.

— **Misha P. V.**, Sri Chaitanya Techno School, Kudlu

nstse | UICO | UIGKO | UIEO | UIMO

Kudos to Unified Council for conducting the Olympiads in a well-organized manner. Everything was up to the mark, and we look forward to continuing our association next year.

— **P. M. Philip**, Holy Angels School , Rajpura

The examination was well organized, and the standard of the question papers was appropriate for all classes. We thank Unified Council for organizing the NSTSE examination, which provided an excellent opportunity for students to challenge themselves and showcase their abilities.

— **Vartika Gaur**, Pride Public School, Kota

The Olympiad helped students develop higher-order thinking skills and enhanced their analytical abilities. It also contributed to improvement in verbal and language skills.

— **Chinni Krishna**, Keshava Reddy EM School, Kadapa

Unified Council is a very good organization. The staff members are cooperative, and the standards of examination and communication are excellent. The overall examination procedure is very well organized.

— **Kotieshwara N**, Jindal Vidya Mandir, JSW Hillside, Basapur

The examination was well organized and conducted smoothly. The study materials provided were clear and easy to understand. Instructions and communication were timely, and the overall examination procedure was excellent.

— **B. Mohana Rao**, Kesava Reddy E.M. School, Ampolu

The examination was well organized and covered a wide range of topics that effectively assessed students' grammar and vocabulary skills. Providing slightly more time or optimizing the question volume could further enhance students' performance. Timely announcement of results would also help sustain students' motivation and enthusiasm.

— **G. Rambabu**, Geetanjali Concept School, Jeedimetla, Hyderabad

First and foremost, I would like to extend our heartiest gratitude and congratulations for conducting the National Science Talent Search Examination so successfully, maintaining your usual and expected standards of excellence. Everything was organized exactly as it should be.

— **JR. Henry Andrade**, St. John's School, Ledhupur, Varanasi

National Level Science Talent Search Examination

nstse
Test • Assess • Achieve

Eligibility

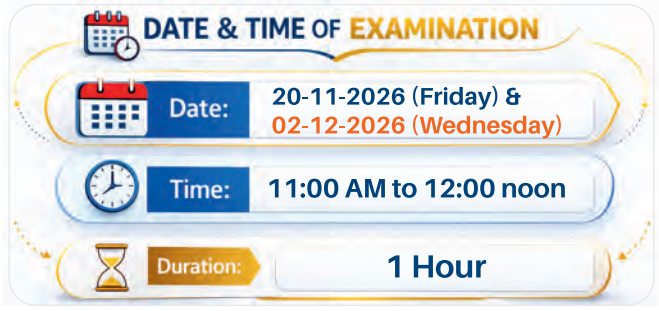
The medium for the Test is English. Students of classes 1 to 10 are eligible to participate in this examination.

Examination Pattern

- Each class has a different question paper.
- All questions are objective-type with no negative marking for wrong answers.

Class	No.of Questions	Marks
1	40	40
2	50	50
3 to 10	60	60

NSTSE will be conducted on 2 different dates. We request you to select any one date convenient for the entire school.



Last date for receiving applications: **20-10-2026**

Fee Structure

- **Exam fee :** ₹ 150 per student.
- ₹25 per student will be retained by the school from the exam fee towards the honorarium for the Olympiad Coordinator and other exam-related expenses.
- **Olympiad Power Pack (OPP)** consists of 2 model Question Papers + Revision of the entire syllabus covered in the form of crosswords. Students can purchase this book at ₹ 100. The school shall send us only ₹ 80 and retain ₹ 20 per book.
- **Online Preparatory Course: Enhance Olympiad Preparation with Our Online Portal!**

  Empower your students with our Online Preparatory Course—featuring **5 chapter-wise tests**, instant feedback, and a unique methodology for effective learning. Each student receives exclusive login access for a personalized experience. Students can opt this at ₹ 150. The school shall send us only ₹ 100 and retain ₹ 50 per student.

  *Students who opt for the **OPP** & **OPC** above additionally, are required to pay, ₹ 150 + 100+150 (Exam fee+OPP+OPC) = ₹ 400 out of which, the school shall send us only ₹ 305 and retain ₹ 95 per student.*

Syllabus

NSTSE question papers are suitable for students following **CBSE/ICSE/ISC** and various other **State Board** syllabi.

Division of Marks

For class 1		
General Science	:	30 marks
Mathematics	:	10 marks
For class 2		
General Science	:	40 marks
Mathematics	:	10 marks
For classes 3 to 5		
General Science	:	45 marks
Mathematics	:	10 marks
Critical Thinking	:	05 marks
For classes 6 to 10		
Physics	:	15 marks
Chemistry	:	15 marks
Biology	:	15 marks
Mathematics	:	10 marks
Critical Thinking	:	05 marks

Critical Thinking section includes a complex combination of skills like conscious application in real life, Logical & Inductive Reasoning, tactics & strategies in decision making, subjective & objective analysis.

SUCCESS Series e-Books

Every student who enrols for this exam will receive a Success Series e-Book, containing comprehensive information on effective study techniques, memory sharpening methodologies and short-cut techniques, to arm students with the ability to solve the toughest of problems, absolutely FREE of cost.

Analysis report

Student's Performance Report (SPR):

We provide Student's Performance Report (SPR) for individual students, which has the following details:

- ☑ Subject-wise, skill-wise performance in a graphical representation
- ☑ Overall ranking at the national level
- ☑ Group highest mark
- ☑ Group average mark

SPR provides a feedback on real learning. It allows a student to know where he/she stands and pinpoints areas of his/her strengths and weaknesses. This report a true assessment, is a great feedback for improvement.

This invaluable report is offered free of cost to all participating students.

Advancing Scientific Thinking
Beyond Classroom Learning

Merit / Participation Certificates :

Merit/Participation Certificates are provided to all participants on the basis of their performance. Students are provided with All India Rank, State Rank and Class Rank.

Ranking : When more than one student get an equal top score, priority for awarding ranks is according to marks acquired in the following specified order of subjects : Physics, Chemistry, Biology, Mathematics and Critical Thinking.

A unique service for schools

We use world class technology to assess students' performance.

An extensive General School Report (GSR) and Individual School Report (ISR) are forwarded absolutely free to all participating schools.

Gold Medals, Cash Prizes and Awards

A. NSTSE topper is awarded ₹ 2,00,000 cash prize*. The student who achieves the highest percentage of marks among all the classes is declared as NSTSE Topper.

B. The top rankers and next 2 rankers in each class are awarded a Laptop and a Tablet PC respectively + a Memento, each.

C. Rankers 4 to 10 and 11 to 25 of each class, are each awarded a cash prize of ₹ 2000 and ₹1000 respectively.

Rankers from 1-25 are awarded with Olympiad Coach Online Subscription worth ₹1998, a Medal and a Certificate of Appreciation.

Prizes for State Toppers

Top 10 rankers in each State (with a minimum participation of 10,000 students; otherwise Top 5) are awarded a Special Award as a token of encouragement. They are awarded with Your Olympiad Coach Online Subscription worth ₹3996, a Medal and a Certificate of Appreciation, each.

Note : State-wise ranks are declared after excluding the top 25 ranks across the country.

Consolation Prizes

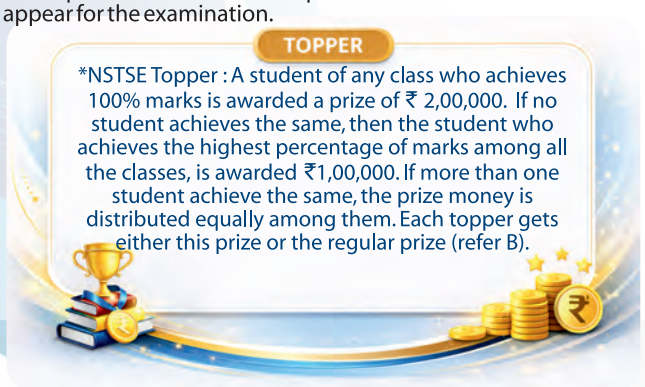
The Top Ranker in each class from selected cities* are awarded with Your Olympiad Coach Online Subscription worth ₹2997.

Note : The city-wise topper is declared excluding the top 25 ranks across the country and State toppers.

City Rank (for every class) is declared for classes having a minimum of 500 students in a particular city.

* Bangalore, Bhubaneswar + Cuttack, Chennai, Faridabad + Gurgaon, Hyderabad, Indore, Jaipur, Jalandhar, Kolkata, Kota, Lucknow, Mumbai, Nagpur, Nasik, Noida + Ghaziabad, Pune, Varanasi, Yamuna nagar + Karnal + Ambala + Kurukshetra, Vadodara and Visakhapatnam.

Participation certificates are presented to all students who appear for the examination.



Class Topper

A student is considered a *'class topper'* only if the class has a minimum of 5 participants. The 2nd and 3rd rankings will be awarded only if the number of participants in a class is more than 10 and 15 respectively. Overall, 10% of participants from every class are declared as Class Rankers. Class Rankers (acquiring marks 50% and above) are awarded a Medal and a Certificate of Appreciation, each.

Institutional Awards

Best Performance Award - School

- The five top performing schools in each zone (south, north, east, west) are honoured each with the Best Performance School Award.
- The Principal and Chief Olympiad Coordinator of the respective schools are awarded with Best Contribution in Science Education Award and a Cash Prize of ₹ 5000 each.

Top Mentor Award

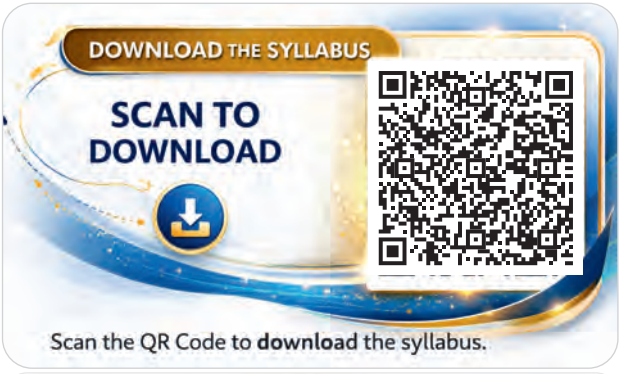
- Top 25 schools across the nation, who have the highest participation of students in NSTSE, are each awarded the Top Mentor Award.
- The Principal and Chief Olympiad Coordinator are awarded a Cash Prize of ₹3000 each + a Certificate.

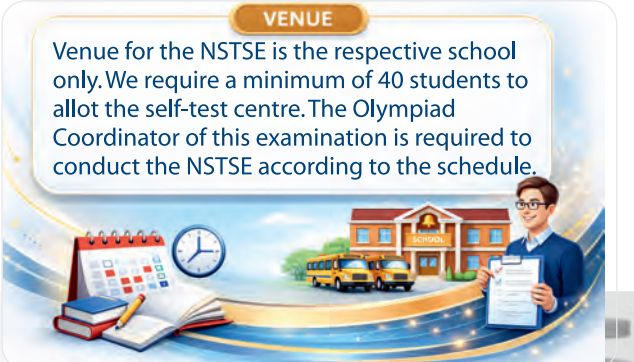
Best Participation Award - School

- Schools that register more than 100 students are presented with this award.

Participating Schools

- All Principals and Coordinating Olympiad Coordinators are awarded Certificates of Appreciation for their support in conducting the examination.





Unified International Mathematics Olympiad

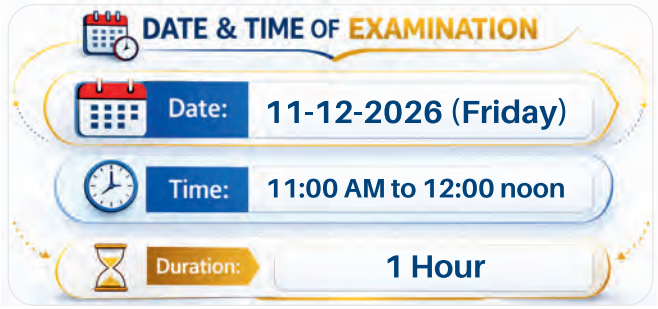
Eligibility

The medium for the Test is English. Students of classes 1 to 10 are eligible to participate in this examination.

Examination Pattern

- ☑ Each class has a different question paper.
- ☑ All questions are objective-type with no negative marking for wrong answers.

Class	No.of Questions	Marks
1 & 2	40	40
3 to 5	50	50
6 to 10	50	60



Last date for receiving applications: **01-11-2026**

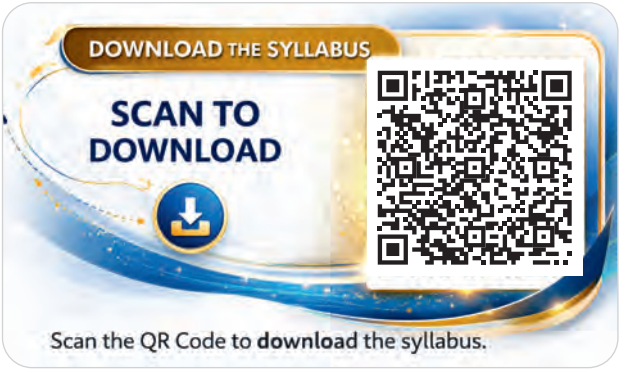
Best Participation Award - School

- Schools that register more than 100 students are presented with this award.

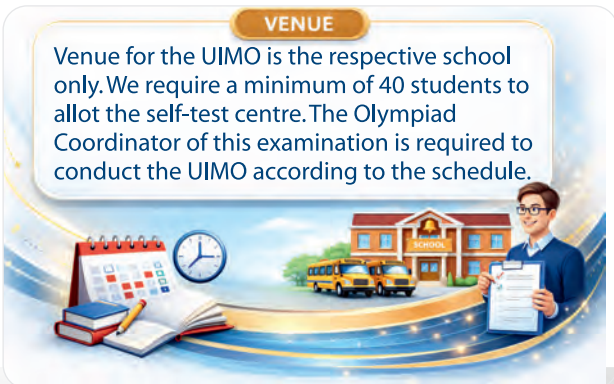
Participating Schools

- All Principals and Coordinating Olympiad Coordinators are awarded Certificates of Appreciation for their support in conducting the examination..



VENUE

Venue for the UIMO is the respective school only. We require a minimum of 40 students to allot the self-test centre. The Olympiad Coordinator of this examination is required to conduct the UIMO according to the schedule.



Unified International English Olympiad

Why UIEO?

English is the International Language and the first global lingua franca. In the modern era, English happens to be the most popular and most spoken language. Children who know English not only excel in exams but are known to do well in practically every aspect of life.

Assessment of one's language skills is the key to identifying and measuring educational achievement. People's lives around the world are shaped by the outcomes of such assessments which they receive as part of their education process.

Assessment is used all the time in every field for making decisions. However, the holistic assessments we offer, are extremely useful because they affect the futures of individuals and play a critical role in the process of laying foundation for their careers.

Hence UIEO offers students an all-encompassing assessment that will place them at the threshold of easier learning and mastering the language of the world, in the easiest way and in the shortest time possible.

Eligibility

The medium for the Test is English. Students of classes 1 to 10 are eligible to participate in this examination.

Examination Pattern

- Each class has a different question paper.
- All the questions are objective-type with no negative marking for wrong answers.

	Class 1-4	Class 5-10
No. of Questions	35	50
Marks	35	50
Duration	1 hour	1 hour

All Principals and Coordinating Olympiad Coordinators are awarded Certificates of Appreciation for their support in conducting the examination.

Presentation of Awards

The awards for the top 3 rankers and the Institutional Awards are presented by eminent personalities in a grand function at Hyderabad.

For Students

Student's Performance Report (SPR):

We provide Student's Performance Report (SPR) for every individual students, which has the following details:

- ☑ Subject-wise, skill-wise performance in a graphical representation
- ☑ Overall ranking at the National level
- ☑ Group highest mark, Group average mark

SPR provides a feedback on real learning. It allows a student to know where he/she stands and pinpoints areas of his/her strengths and weaknesses. This report a true assessment, is a great feedback for improvement.

This invaluable report is offered free of cost to all participating students.

Merit / Participation Certificates

Merit/Participation Certificates are provided to all participants on the basis of their performance.

Ranking : When more than one student get an equal top score, priority for awarding ranks is according to the marks acquired in the following specified order of subjects: Vocabulary & Functional Grammar, Reading Comprehension & Interactive English.

For Schools

We use world class technology to assess students' performance.

General School Report (GSR) analyses the performance of students participating in the examination (class-wise). The report is a histogram graph, which is a useful tool for marking the areas of weaknesses by schools that wish to improve their students' performance.

Individual School Report (ISR) analyses the performance of your students, by segregating the questions for different skills (class-wise). This report acts as a tool for the schools to improve their students' performance by marking the areas of weaknesses. **ISR is also provided free of cost.**

Unified Council

is the pioneer in India to offer this extensive range of reports

Unified International Cyber Olympiad

Why UICO ?

India has seen a spectacular success in IT and computers which is acknowledged around the world. But computer education in our country is highly fragmented and shares no common platform. Realising the huge importance of streamlined and competitive education in computers and IT and with a view to fortify India's success, Unified Council is conducting Unified International Cyber Olympiad. It motivates children to strengthen their knowledge in mental ability, logical reasoning and computer knowledge. Proficiency in these areas will help every child in tackling the problems related to software solutions, management crises, lack of judgement and decision-making.

Eligibility

The medium for the Test is English. Students of classes 2 to 10 are eligible to participate in this examination.

Examination Pattern

- Each class has a different question paper.
- All questions are objective-type with no negative marking for wrong answers.

Exam Structure	
No.of Questions	50
Marks	50
Duration	1 Hour

Syllabus

UICO question papers are suitable for students following **CBSE/ICSE** and various other **State Board** syllabi.

Division of Marks

Mental Ability	:	15 marks
Reasoning	:	15 marks
Computers	:	15 marks
English	:	05 marks

DATE & TIME OF EXAMINATION

- **Date:** 18-09-2026 (Friday)
- **Time:** 11:00 AM to 12:00 noon
- **Duration:** 1 Hour

Developing Digital Competency for
The Future Workforce

Gold Medals, Prizes & Awards

A. The top rankers and next 2 rankers in each class are awarded a Laptop and a Tablet PC respectively + a Memento, each.

B. The next 7 rankers of each class (Ranks 4 to 10) are awarded a cash prize of ₹ 1000 each.

Rankers from 1-10 and 11-25 are awarded with Olympiad Coach Online Subscription worth ₹1998 and ₹3996 respectively, along with a Medal and a Certificate of Appreciation.

Top 25 rankers from each class are also awarded each with a Medal, Reasoning Trainer Book and a Certificate of Appreciation.

A Participation Certificate and Cyber Diagnostic Report (CDR) are given to every participant.

Prizes For Zone Toppers

Top 10 rankers in each Zone (with a minimum participation of 10,000 students; otherwise Top 5) are awarded a Special Award as a token of encouragement. They are awarded with Your Olympiad Coach Online Subscription worth ₹3996, a Medal and a Certificate of Appreciation, each.

Note : Zone-wise ranks are declared after excluding the top 25 ranks across the country.

Class Topper

A student is considered a *'class topper'* only if the class has a minimum of 5 participants. The 2nd and 3rd rankings will be awarded only if the number of participants in a class is more than 10 and 15 respectively. Overall, 10% of participants from every class are declared as Class Rankers. Class Rankers (acquiring marks 50% and above) are awarded a Medal and a Certificate of Appreciation, each.

Institutional Awards

Best Performance Award - School

- The five top performing schools in each zone (south, north, east, west) are honoured each with the Best Performance School Award.
- The Principal and Chief Olympiad Coordinator of the respective schools are awarded with Best Contribution in Computer Education Award and a Cash Prize of ₹ 3000 each.

Top Mentor - Award

- Top 25 schools across the nation, who have the highest participation of students in UIEO, are each awarded the Top Mentor Award.
- The Principal and Chief Olympiad Coordinator are awarded a Cash Prize of ₹1500 each + a Certificate.

Best Participation Award - School

This is presented to schools which register more than 100 students with us.

Participating Schools

All Principals and Coordinating Olympiad Coordinators are awarded Certificates of Appreciation for their support in conducting the examination.

For Students

Cyber Diagnostic Report (CDR):

We provide Cyber Diagnostic Report (CDR) for individual students, which has the following details:

- ☑ Subject-wise, skill-wise performance in a graphical representation
- ☑ Overall ranking at the national level
- ☑ Group highest marks
- ☑ Group average marks

CDR provides the basic feedback on real learning. It allows the students to know where he/she stands and pinpoints areas of strengths and weaknesses. This feedback helps in improvement and growth.

This invaluable Report is given free of cost to all participating students.

Merit / Participation Certificates

Merit/Participation Certificates are provided to all participants on the basis of their performance.

Ranking : When more than one student get an equal top score, priority for awarding ranks is according to the marks acquired in the following specified order of subjects : Mental Ability, Reasoning, Computers and English.

For Schools

We use world class technology to assess students' performance.

An extensive General School Cyber Diagnostic Report (GSCDR) is given absolutely free to all participating schools.

General School Cyber Diagnostic Report (GSCDR) analyses the performance of students participating in the examination (subject-wise and class-wise). The report, is a histogram graph, which serves as a useful tool in marking the areas of weaknesses by schools that wish to improve their students' performance.

School Cyber Diagnostic Report (SCDR) analyses the performance of your students by segregating the questions for different skills (subject-wise and class-wise). This report acts as a tool for the schools to improve their students' performance by marking the areas of weaknesses. **SCDR is also provided free of cost.**

UIGKO Unified International General Knowledge Olympiad

Why UIGKO?

UNIFIED COUNCIL
OLYMPIADS

UNIFIED COUNCIL'S OLYMPIADS
are unlike other Olympiads in many different ways.

- Scientifically designed tests that evaluate students' fundamental understanding, conceptual clarity, and application skills, rather than mere memorization.
- Thought-provoking questions that encourage analytical thinking and problem-solving, instead of simple recall.
- Well-researched question papers carefully designed according to students' learning standards and curriculum requirements.
- Diagnostic assessments that identify students' strengths and areas for improvement.
- Detailed and skill-wise performance reports providing unique feedback for both students and schools.
- Global benchmarking, enabling students to compare their performance with peers across 32 countries.
- Tests conducted by India's first ISO 9001 certified organization in testing and assessment, ensuring quality and reliability.
- Free motivational books provided to all participating students.
- Over 14 million students have benefited from Unified Council examinations so far.
- An organization that provides unmatched advantages to both students and schools.
